Fisher & Paykel regularly publish Technical Bulletins, which give more details on product changes. To read these bulletins, go to the Cool Blue World website on <http://cbw.fp.co.nz>.

GUIDE TO USING THIS MANUAL

The model covered by this manual is listed on the front cover.

The information detailed in this manual is subject to change without notice. The latest version is indicated by the reprint date and replaces any earlier editions.

The front cover picture shows the type of product and may not necessarily be an exact image of the model covered by the manual.

Kit Parts

The components shown in *italics with a part number* are those parts in the kit which are available also as separate items. In addition, some parts may be supplied with this kit which are not available as separate items and are therefore either not listed or a part number is not shown against the part description in this manual.

Parts List Key

NOT USED	As a part number, indicates the illustrated part is not used in this model.
<i>italics</i>	Kit components or parts included are shown in <i>italics</i> . Refer to above notes: Kit Parts
NI	As a part reference, indicates the part is not illustrated on the diagram.
